2. Each measures 3.5" x 3.5" x 2.5"
3. Very low power consumption.
4. 3 AG-13 button cells are included.
5. When battery power is low, the message won't be lost while the batteries are replaced.
6. Play "bi" sound at the beginning of recording when the "Right Hand" of the toy is pressed.
7. Press and hold "Right Hand" when recording.
8. Play "bi-bi" sound at the end of recording when time is up or "Right hand" is un-pressed.
9. The toy face will flash to indicate new message.
10. Press "Left Hand" to play back the recorded message.
11. Recorded message will still be kept until new message is recorded.
12. Small and light button cells are used for safety.
13. Each toy comes with small instructional card.

All our lovely designs of plush toys are really kids' favorite pets. We current have rabbit, pig, teddy bear, cow, sheep, reindeer, mouse, dog, tiger, baby chick and cow. Each comes in two sizes: 3.5" and 5" and can be seated or hung as decoration.

The small key chain can be used as gifts or go with other gifts. It is very interesting and exciting to hear your voice when getting your presents.

Each can carry the special one's intimate loving sayings with you, and hear it anytime at anyplace.

As a Memo Recorder - Any time without pen and paper, you can still catch any information easily.

As a Message Reminder - After you recorded new message in this lovely toys, their faces will start blinking to indicate a new message. Parents can hang or seat it to leave new message to kids coming home earlier from school.
